PCard

Introduction

A procurement card (also known as a “pcard”) is a credit card issued by a financial institution to an organization to make direct purchases from vendors. The card is issued in an employee’s name and may be used for certain low-dollar, business-related purchases, where the good or service is not available through e-SHOP. There are per transaction and monthly dollar limits on the cards, as well as certain good and services that are prohibited from payment by pcard. Since the pcard is a university liability, the bill is paid centrally by Cornell for all balances; no purchase order or reimbursement process is necessary.

All pcard purchases must be for business purposes only and in full compliance with other university policies, particularly University Policy 3.14, Business Expenses. The cardholder is responsible for providing documentation of all purchases on the card and for ensuring that any expense paid by pcard is not otherwise submitted for reimbursement or used for any inappropriate purpose.

A file of pcard transactions is provided by our issuing bank each day. When the transactions in this file are uploaded to Cornell’s financial system (Kuali Financial System or KFS), one email notification is sent to the cardholder for each transaction on his/her pcard. The cardholder will respond to this email within 10 days by selecting a link within the email to access the PCard Receipt Processing System. This system makes it easy for cardholders to submit documentation electronically. Cardholders will upload an electronic version of the receipt and enter the business purpose and account(s) to be charged.

♀ Caution: Failure to use the pcard in compliance with university policy, including the terms outlined in this manual, can result in the suspension or revocation of the pcard and possible disciplinary action. Fraudulent use of the pcard can result in employee termination, expulsion from school (for students), and criminal charges.

♀ Note: The terms and conditions associated with a purchase order provide certain legal protection to the university and therefore, there may be instances where the cardholder chooses to request a purchase order rather than utilizing a pcard. Consult your Business Service Center if you believe a purchase order may be the best method of procurement for your intended purchase.
Eligibility

Only those individuals whose job description supports the need to make frequent business-related purchases are eligible to apply for a procurement card. Cards are generally issued to regular, full-time, staff members; however, all applications are evaluated based on need (e.g., types of goods/services needed, number of potential transactions, other payment options, prior history of pcard use and, in rare instances, the credit worthiness of the applicant.) Details of the application process are provided later in this document.

♦ Cautions:
- An individual who approves procurement card transactions in KFS (i.e., Fiscal Officer or primary/secondary delegates for PCDO's) may NOT hold a procurement card because effective internal controls require separation of duties.
- An individual may be issued only one procurement card per unit served by the same Business Service Center (BSC).
- Cardholders may not transfer the pcard to a new position. A new position, with different responsibilities and a new supervisor, requires completion of the pcard application process if the use of a pcard is requested.
- Individuals, who have previously had a write-off on a corporate travel card account, are not eligible to hold a pcard.

Dollar Threshold

A dollar limit applies to each transaction on a pcard, and a monthly limit applies to the total purchases made within one monthly cycle (cycle ends approximately the 15th of each month.) Standard pcard limits are as follows:

- Regular cardholder:
  - $500 per transaction; $5,000 per month
  - $1,500 per transaction; $10,000 per month (requires SFG/SGB approval)
- BSC cardholder: $10,000 per transaction; $100,000 per month

A cardholder must never "split" the cost of one single item (whether good or service) into multiple payments in order to circumvent the per transaction limit on the pcard. In addition, cardholders must not make multiple purchases of the same item such that the total combined value of the purchases would require the completion of a bid through Procurement Services (see The Purchase Order Process section of this manual for details on the bid process). If a cardholder needs to make a purchase that is not appropriate for the pcard, he or she will consult the BSC representative or unit purchasing specialist to determine the best procurement method for the purchase.

♦ Notes:
- Monthly cycle limits may be increased if the level of spending and compliance warrant.
- Transaction limits may be increased only in rare circumstances when there is a compelling business need and/or in cases where the unit has been delegated spend authority by Procurement and Payment Services. Requests will be made to Credit Card Programs by the cardholder's/applicant’s BSC Director.
Prohibited Transactions

Certain transactions are prohibited on procurement cards because the good or service requires additional review for reasons of tax, insurance, a contract or other regulatory issues. Prohibited transactions may result in suspension or revocation of the procurement card, or other disciplinary action.

♦ Note: If paying for services, consult the Purchases with Special Procedures: Paying for Services section of this manual.

| Employees | Per IRS tax guidelines, you may not pay:  
1. A current employee via pcard  
2. An individual who has been employed by Cornell at any time in the current calendar year via pcard |
| e-SHOP Vendors | Do not use your pcard to purchase from a vendor that is available in e-SHOP. |
| Gifts Cards/Certificates | Gifts cards and/or certificates are generally classified as taxable income by the IRS and may not be purchased with a procurement card. Contact your BSC for guidance. |
| Insurance | You may not pay for insurance premiums, co-payments, deductibles, or services with your procurement card. For information on purchasing insurance, please contact Risk Management and Insurance. Only those individual employed in Risk Management and Insurance, or their BSC, may execute these transactions via pcard. |
| Investment Services | In accordance with Cornell policy, authority for these transactions requires the additional review of the university's Investment Office. Only those individual employed in the University Investments Office, or their BSC, may execute these transactions via pcard. |
| Legal Services | In accordance with Cornell policy, authority for these transactions requires the additional review of the Office of University's Counsel. Only those individual employed in the Office of the University Counsel, or their BSC, may execute these transactions via pcard. |
| Medical Services | Due to tax reporting requirements, medical services (i.e., physician, surgeon, ophthalmologist, etc.) may not be paid via pcard. |
## Non-Preferred Suppliers
Do not use the pcard to purchase goods and services from a non-Preferred Supplier, where the good or service is available from a Preferred Supplier.

## Personal Expenses
Do not purchase any good or service that is primarily for personal use. Use of this card for personal expenses is governed by [University Policy 3.6, Financial Irregularities](#). Using the card in this manner with the intention of reimbursing Cornell is NOT an acceptable practice. **Caution:** Many items lend themselves to personal use, such as magazines and newspaper subscriptions. It is the cardholder's responsibility to provide documentation to support that the purchase of an item that lends itself to personal use is essential to fulfilling his or her job responsibilities.

## Pest Control
These services must be coordinated with the customer service center in the Department of Facilities Management, due to the potential use of pesticides. Contact your local building coordinator. Only those individual employed in the Department of Facilities Management, or their BSC, may execute these transactions via pcard.

## Radioactive Materials
[Environmental Health & Safety](#) must approve all requests for radioactive materials prior to an order being placed with a vendor. See the "Radiation Safety Manual" for further information on purchasing radioactive material.

## Real Estate Services, Purchase, Rental, etc.
In accordance with Cornell policy, authority for these transactions requires the additional review of the university's Real Estate Office. Only those individual employed in the Real Estate Department, or their BSC, may execute these transactions via pcard.

## Security Systems, Building
Building security systems must be coordinated through the Cornell Police, and must not be purchased with a procurement card.

## Services Performed on University Property
Nearly all services, regardless of where they are performed, require both a contract and verification that the vendor meets the university’s insurance requirements. **Therefore, pcard holders may not pay for services being performed on university owned or controlled property,** except those services that are being performed by a vendor who has signed a university contract and whose services are not already specifically prohibited.

Contracted vendors performing the services listed above may be found on Procurement Services’ web site at [http://www.dfa.cornell.edu/procurement/supplierlistview](http://www.dfa.cornell.edu/procurement/supplierlistview).

Contact your BSC to discuss the appropriate payment for any other service PRIOR to engaging the service provider.

The approval must be submitted as part of the pcard documentation. For details on which software purchases require the assessment, see <a href="https://it.cornell.edu/technology-risk-assessment">https://it.cornell.edu/technology-risk-assessment</a>. | Travel-Related Expenses | Any travel-related purchase or rental is prohibited (e.g., hotel, motel, airline, train, bus, taxi, limousine, or cruise fare; vehicle or boat rental; gasoline; road tolls of any kind; travel agency purchase; parking lot fees). Certain travel-related merchants have been blocked from accepting procurement cards.  

**Note:**
1. Conference registration fees may be charged to your procurement card if the fee does not exceed your transaction limit.
2. Special exceptions have been granted to BSCs. If you are planning a group or visitor travel, contact your BSC. |
| Travel Meals | You may not charge meals to your procurement card while you are traveling for the university if that travel includes an overnight stay. |
| Vehicle Rental | The rental of any type of car, truck (including moving truck), van, bus, or limousine is prohibited on pcard. This includes both rentals while in travel status and locally. |
Documentation Requirements

Documenting Procurement Card Transactions

Cornell requires procurement card holders to submit documentation of all purchases on their procurement card within 10 days of receiving an email notification from the PCard Receipt Processing System. Sufficient documentary evidence is necessary in order to comply with university policies, sound business practices, and the requirements of external and internal reviewers. Sufficient documentary evidence includes an original receipt (see number 1 below) and an explanation of business purpose (see number 2 below.)

1. An “original” receipt is based on what a particular vendor generally provides as proof of purchase, for example: cash register tape, detailed packing slip, copy of an order form (for registrations, applications, subscription, etc.), web receipt or email acknowledgement from vendor, etc. Receipts should include description of item(s) purchased, vendor name, date, quantity, unit price, and total cost. If any relevant information is not included on the receipt, the cardholder will include the missing details within the Business Purpose section of the PCard Receipt Submission screen (see “Electronic Submission of Documentation” at the end of this section).

Note: Third-party billing companies such as PayPal generally do not include detailed information about the item(s) purchased. The cardholder should, in cases such as this, provide a copy of the web page that identifies the item(s) purchased and the web receipt from the third-party billing company.

In cases where the original receipt is not immediately available, the cardholder will create a document containing the following: an explanation as to why the original receipt is not available, details about the transaction including a description of item(s) purchased, vendor’s name, date of purchase, quantity, unit price, total cost, account(s) to charge and, as described below, a description of the business purpose. The cardholder will submit this document, in lieu of the receipt, utilizing the PCard Receipt Processing System.

2. An explanation of the business purpose of the item(s) purchased should include specific information about why the purchase occurred (i.e., lab supplies for study of honey bees). For the payment of business meals, the business purpose must include a list of the attendees.

Caution: The business purpose must be written in terms that would be clear to an external reviewer, especially in cases where the item could lend itself to personal use (e.g., CDs, videos, meals, and so forth).

Notes:

- Credits issued to a procurement card require an explanation from the cardholder, to ensure that the procurement card coordinator can apply the credit to the same account as the original debit.
- Some vendors provide only an estimate of shipping charges when goods are ordered and, therefore, the amount listed on a receipt will sometimes vary from the amount actually charged to the pcard.
- Some vendors mistakenly send pcard receipts to the central university address that is used for accounts payable invoices, rather than to the cardholder, which can account for a cardholder never receiving a receipt.
Electronic Submission of Documentation

A file of pcard transactions is provided by our issuing bank each day. When the transactions in this file are uploaded to Cornell’s financial system (Kuali Financial System or KFS), one email notification is sent to the cardholder for each transaction on his/her pcard. The cardholder will respond to this email within 10 days by selecting a link within the email to access the PCard Receipt Processing System. This system makes it easy for cardholders to submit documentation electronically. Cardholders will upload an electronic version of the receipt and enter the business purpose and account(s) to be charged.

The cardholder’s submission of electronic documentation creates a record in ImageNow. The pcard coordinator in the BSC will access the electronic documentation through the ImageNow BSC workflow queue. Coordinators use the images and other information submitted by the cardholder to review the PCDO in KFS. After reviewing the ImageNow record, updating (as necessary) and approving the PCDO, the coordinator routes forward the ImageNow record. A batch process runs each night that matches up the forwarded ImageNow records to the appropriate PCDO and attaches the electronic documentation to the PCDO.
Section 304

Special Topics

Accounts with Additional Restrictions
There are restrictions on the types of accounts that may incur pcard charges or be used as a default account:

- Accounts that cannot incur procurement card charges
  - State appropriation construction accounts (Sub fund PLSUCF)
  - Receivable accounts (Object codes with object type AS.; accounts with sub fund BALSHT; invested funds IN)
- Accounts that may not be default accounts
  - State appropriation accounts (Sub fund APSTAT)
  - Agency accounts (Sub fund EXTORG, external organizations which were formerly Agency accounts)
- Accounts where procurement card charges may not “auto release”
  - State appropriations (Sub fund APSTAT)
  - Federal appropriations (Sub fund APFEDL)
  - Any grant or contract account (Fund CG)

♦ Note: The purchaser must comply with all sponsor and other requirements on restricted accounts. The purchaser must not charge federal unallowable expenses or costs generally considered indirect, such as office supplies, to sponsors.

Inactive PCards
An unused and potentially unmonitored credit card account creates the opportunity for fraudulent use by unauthorized parties; therefore, BSC Directors should close any pcard not used at least 12 times in any one year. To facilitate the closure of low use pcards, each January the Office of Credit Card Programs will supply BSC Directors with a prior year report of transaction totals by cardholder. It is the responsibility of each BSC Director to review this information with Unit Managers, notify cardholders whose accounts are to be closed, and then request that the Office of Credit Card Programs close the selected accounts. The BSC may also choose to review and close infrequently used accounts that have been opened for less than 12 months.

Outside Compliance Reviews
The Office of Credit Card Programs, Disbursement Quality Assurance, the University Audit Office, or other auditing agencies will periodically review procurement card transactions. Based upon these reviews, cards may be suspended or permanently revoked, or other disciplinary action may be taken.

♦ Note: Any financial penalties associated with external audits by regulatory agencies are the responsibility of the unit. These penalties may be greater than the amount of the transaction because auditors extrapolate results based on their sample testing.

Internal Sales (Cornell Vendors)
If your unit accepts procurement cards for internal sales, those sales must be recorded on your credit card sales deposit as interdepartmental revenue. This entry into the general ledger is performed automatically by Cash Management if an internal merchant account has been established. For more information, contact Cash Management and see University Policy 3.17, Accepting Credit Cards to Conduct University Business.
Procedures

Applying for a Procurement Card

Individuals who believe they are eligible for a procurement card should contact their supervisor, who may, in turn, contact the Business Service Center (BSC) for an application. The application form requires the recommendation of the supervisor, unit manager (or chair), and the BSC Director. All applications for pcards with a limit greater than $500 require the approval of the appropriate SFG/SBG member. The Office of Credit Card Programs reviews all materials and, if an initial approval is granted, will contact the prospective applicant (via email) with final instructions on completing the application process.

Notes:
- All applicants are required to complete an online tutorial on pcard policy, pass a quiz based on the tutorial, and sign a Cardholder Agreement, before being issued a pcard.
- Cardholders are encouraged to complete a tutorial on the PCard Receipt Processing System, or at a minimum, review the written instructions.
- An individual may receive only one pcard per unit served by the same BSC.
- Cardholders may NOT transfer a pcard to a new position. A new position, with different responsibilities and a new supervisor, requires completion of the pcard application process if the use of a pcard is requested.

Procurement cards are sent via US Mail, by the issuing bank, to the address provided on the application. Replacement cards will be automatically mailed to that same address no later than seven days before the card’s expiration date.

Dispute Process - Correcting Erroneous Charges on the PCard

If a cardholder authorizes a vendor to charge his or her pcard, and the resulting charge is incorrect, the cardholder should first contact the vendor and attempt to resolve the error. Some examples of common “errors” are: incorrect dollar amount, duplicate charge, credit not received. If the error is not resolved by contacting the vendor, the cardholder will complete a Charge Dispute Form (see the “Forms” section of the pcard web pages at http://www.dfa.cornell.edu/procurement/buyers/credit-cards/procurement-card/forms.) The form must be completed and faxed to the financial institution within 60 days of the statement date on which the error appeared. The financial institution must acknowledge the “Charge Dispute Form” within 30 days of receipt of the form. Within 90 days of receipt of the form, the financial institution will correct the error or provide an explanation as to why the charge is correct.

Caution: If the cardholder has not authorized a vendor to charge the pcard, then the cardholder must assume that an unauthorized party has obtained his or her pcard number, and must contact the financial institution immediately. The pcard account will be shut down and a new plastic, with a new account number, will be mailed to the cardholder. The financial institution may also request that the cardholder complete an additional form (mailed to them by the financial institution) confirming the fraudulent use of the pcard.

Lost or Stolen PCards

If a pcard is lost or stolen, the cardholder must contact the financial institution immediately to ensure that fraudulent use of the pcard does not occur. The financial institution will shut down the pcard account and will mail a new plastic, with a new account number, to the cardholder.

Cardholders Change of Status

If a cardholder is on any type of university leave that extends beyond 30 days or is for an unknown duration, that individual’s pcard must be suspended. The individual’s supervisor will
inform the BSC of the date that the cardholder’s leave will start or as soon thereafter as possible. Suspending the pcard will prevent unauthorized use of the account during a time when the cardholder is not available to dispute the charge. See Account Closures and Other Changes to Procurement Cards for further details on suspending an account.

Purchases Rejected by Vendors
If a purchase is declined at the point of sale, the cardholder may call the financial institution or his/her procurement card coordinator to obtain the reason. If a card is accidentally destroyed or is damaged and cannot be used, the cardholder will contact the financial institution to request a replacement card.

Account Closures and Other Changes to Procurement Cards
Procurement card coordinators will utilize the financial institution’s online system to change default accounts and mailing addresses. For account suspensions, account closures, name changes, or any other change of the pcard account, procurement card coordinators will complete an online Credit Card Update form, found at https://www.dfa.cornell.edu/procurement/buyers/credit-cards/procurement-card/forms.

*Note:* When a procurement card is lost or stolen, and the financial institution subsequently issues a new plastic with a new account number, a Credit Card Update form does not need to be submitted. (See “Lost or Stolen PCards” above.)

Expanding Procurement Cards
A pcard near its expiration date will automatically be replaced by the financial institution, no later than 7 days prior to the end of the month in which the card expires. If a replacement for the expiring pcard is not received, and it is within 7 days of the end of the month in which the card will expire, the cardholder will contact the financial institution.
Policy Violations

University Policy 3.25, Procurement of Goods and Services, and its appendix, this Buying Manual, provide guidelines that are designed to ensure sound business practices and full compliance with other university policies, as well as various external requirements, such as IRS regulations, federal OMB circulars, etc. Procurement card usage must be monitored to ensure that violations of university policy are detected and handled in such a way as to deter future violations. This section of the Buying Manual will provide a course of action in response to a policy violation and identify the party responsible for any follow-up action.

1. Failure to Submit Documentation
   One of the most significant problems related to the use of pcards is the failure to provide documentation to substantiate a transaction. Without adequate supporting documentation, the Business Service Center (BSC) cannot be sure which account or object code to select. Credit Card Programs can identify pcard transactions (PCDOs) in the Kuali Financial System (KFS) that do not have an attachment and are therefore, assumed to have had no supporting documentation provided to the university. To reduce this behavior, Credit Card Programs will suspend all pcards held by an individual who has a pcard transaction in KFS age to 30 days or greater, with no attachment. The process is as follows:
   - A report is run daily to identify any PCDO that was created in KFS 31 days prior
   - Credit Card Programs will email the cardholder alerting them to the suspension and the necessary follow up actions, generally within two business days, with a copy going to his/her BSC Director.
   - Cardholders will provide the documentation, or a reasonable explanation (see below), to their BSC, who will in turn attach the supporting documentation to the PCDO.
   - After the steps above have been completed, the BSC Director may request reinstatement of the pcard at his/her discretion.

   Caution: If a cardholder receives a third suspension in any 12 months for failure to submit documentation, as described above, Credit Card Programs will consult with the cardholder’s Senior Finance Group or Senior Business Group (SFG/SBG) member who will determine whether the card is to be revoked or to be reinstated after all documentation requirements have been met.

   Note: As described in Documentation Requirements, when an original receipt is not available, the cardholder must provide a written explanation as to why the original receipt is not available, details about the transaction including a description of the item(s) purchased, vendor’s name, date of purchase, quantity, unit price, total cost, account(s) to be charged and a description of business purpose.

Other Types of Policy Violations
Other types of policy violations are most easily identified by the pcard coordinator in the BSC. Should the pcard coordinator determine that a pcard transaction represents a violation of policy, he/she will report this violation to the BSC Director, who is responsible for evaluating the violation based on the information provided in this Buying Manual. Requests to suspend or reinstate a pcard will be made to Credit Card Programs.
2. **Lending or Sharing of a pcard**
   Any instance of lending or sharing a pcard should result in a minimum 60 day suspension of the card. This is a significant violation as knowingly sharing a card or card number will negatively impact the cardholder’s ability to dispute charges and identify fraudulent transactions.

Other factors that may lead to suspension of your pcard include, but are not limited to the following:

3. **Performance of a prohibited transaction (see section 302, Prohibited Transactions)**

4. **Splitting a Transaction**
The cost of a single item (whether good or service) must not be split into multiple payments in order to circumvent the per transaction limit on the pcard.

5. **Exceeding the PCard Transaction and/or Cycle Limit**
Merchants can (and do) force through transactions without verification of a card’s limits. Take into consideration whether or not the cardholder should have been aware that an order would total more than his/her per transaction limit. It is also a violation when multiple purchases of the same items are made such that the total combined value of the purchases would require completion of a bid through Procurement and Payment Services.

6. **Late submission of documentation**
Submitting documentation more than 10 days after the transaction will generally cause the automatic release of that charge against the card’s default account. This violation is significant as it creates an expense for the university without supporting documentation. The BSC cannot know which account or object code to select without adequate supporting documentation and therefore, additional work is created when the charge (or credit) must be moved to a different account or object code.

7. **Submitting written explanations for missing, lost, not received receipts, in lieu of originals**
Submitting a written explanation for missing, lost, not received receipts, in lieu of originals may warrant a suspension if/when the frequency or circumstances do not appear reasonable. Each instance must be evaluated individually.

8. **Accidental personal use of the pcard**

9. **Any other use of the pcard that violates this, or other, university policies.**
Any violation fitting the title above must be evaluated individually by the BSC Director and may require immediate suspension of the card.

◆ **Note:** If a cardholder's pcard is revoked for noncompliance with policy, the individual cannot apply for a subsequent card.
Special Considerations for BSC Cardholders

This section describes special permissions that have been granted to the Business Service Center (BSC) procurement cardholders for the payment of: Cornell faculty, staff and student group travel, visitor travel, catering, other event-related expenses, and various services. In order to qualify for a payment (including a deposit) on a BSC pcard, all of the following general conditions must be met, in additional to any specific restrictions listed in each topic below.

General Conditions for all BSC PCard Transactions

- Payments must be made using an BSC pcard; authorization may NOT be extended to a regular card or cardholder, unless specifically stated.
- The BSC will be allowed to pay up to the first $10,000 of the expenses described in this section using an BSC procurement card so long as the necessary contract(s) has been executed (signed/approved) prior to any such payment (including a deposit) being made.
- When the transaction’s total exceeds $10,000, payment of the balance remaining after the deposit is paid via BSC pcard, must be requested via the purchase order process.
- When collection of insurance certificates is required (as listed in each topic below), the insurance must be verified prior to any payment (including a deposit) being made.
- When a transaction is paid for using both a pcard and the PO process, each transaction must contain a reference to the other in order to create an appropriate audit trail. The BSC will record the Procurement Card Doc (PCDO) number found in KFS from the initial pcard payment in the Notes tab of the Purchase Order that was issued for the remaining balance. In addition, the PO number will be recorded in the Notes tab of the PCDO.

Caution: Payments may not be requested via Disbursement Voucher (DV) because this payment method does not advance “administrative ease” for the institution as a whole.

Note: Procurement and Payment Services (Procurement) will assist in the collection of insurance certificates for vendors who do not already have insurance on file (see http://www.dfa.cornell.edu/procurement/buyers/insurance). Notify Procurement far enough in advance of any payment (including a deposit) to allow adequate time to request and receive the required insurance certificates.

Group and Visitor Travel Allowed on a BSC PCard

Outlined below are the limited instances in which an BSC pcard may be used to pay for group and visitor lodging and commercial transportation (i.e., airline, chartered bus, train) up to the first $10,000. All conditions for use outlined below must be met in order for the payment to qualify for the use of an BSC pcard.
Conditions for Use

A. An individual for whom a travel-related payment, as described in items B through G below, is being made must meet one of the following definitions:

1. **Group** – three or more Cornell faculty, staff or students who are traveling together on university business.
   
   **Caution:** Payment of travel expenses for students are subject to many rules and regulations and must often be processed through Financial Aid. Class trips, conference attendance, or other mission related educational travel may be directly paid from unrestricted department funds only. Travel awards (regardless of sources of funds), travel stipends and payment for travel from funds designated for scholarship **must be processed through the Financial Aid System (RUSS form).** Pay special attention to documenting the business purpose for student travel. Contact the University’s Tax Manager for more information or clarification. Before paying any travel related expense directly on behalf of a student, consult with tax@cornell.edu to verify that it does not need to be processed through Financial Aid.

2. **Visitor** – an individual traveling at the request of a Cornell faculty/staff who is not being compensated for services, e.g., individuals interviewing for a position or a guest receiving only an honorarium.

B. **Lodging.** Payment for lodging at a hotel for a Cornell group or visitors may be made via BSC pcard so long as the hotel meets the conditions below. Lodging for individual faculty, staff and students may not be paid via pcard, see **Policy 3.2, University Travel.**

   1. If the hotel requires only a “confirmation/reservation form” that notes just the number of rooms, dates, cost, and cancellation policy, then it is acceptable for the unit to complete and sign this form.

   **Caution:** If the hotel requests completion of a form that has any additional terms and conditions that may be considered a “contract”, then it **must be forwarded to Procurement for approval/signature, prior to any payment (including a deposit) being made. See Conditions for Review of Contracts by Procurement Services below.**

   2. The hotel may not be a Bed and Breakfast establishment nor an Airbnb.

   3. Payment to the hotel may include food and beverages provided by the hotel for the group members (e.g., group dinner at a restaurant within the hotel) as well as minor miscellaneous charges (e.g., internet usage fees). If paying for catering services by the hotel or another vendor or facility rental charges (non-lodging), please read the remainder of this section to ensure that requirements for making any portion of the payment via BSC pcard are met.

C. **Airfare.** Domestic and international travel may be paid via BSC pcard for a group or for visitors.

   1. Individual travel for Cornell faculty, staff, or students may not be paid via pcard.

   **Caution:** **Use of Sponsored Funds requires compliance with the Fly America Act** (see [http://www.dfa.cornell.edu/accounting/topics/sponsoredfinance/training.cfm](http://www.dfa.cornell.edu/accounting/topics/sponsoredfinance/training.cfm)).
D. Limousine service and taxis. Limousine and taxi service, e.g., Ithaca Airline Limousine, may be paid via BSC pcard for a group or for visitors (not for individual faculty, staff, or student); insurance must be on file with Procurement for the limousine or taxi company.

E. Train. Train travel for a group or visitors (not for individual faculty, staff, or students) may be paid via BSC pcard.

F. Bus(es). Buses may be chartered via BSC pcard for a group (not for individual faculty, staff, or student bus fare) so long as insurance is on file with Procurement for the bus company and the contract (if one is required) has been executed by Procurement prior to any payment (including a deposit) being made. See Conditions for Review and Approval of Contracts by Procurement Services below.

Notes:

- The BSC needs to be aware that when a hotel has a credit card on file, there is a risk that other goods/services could be charged to the room such as food, in-room movies, etc. It is the responsibility of the BSC to collect reimbursement from the traveler where appropriate.
- The university hosts a website known as the Travel Portal, which contains links to several travel vendors.
- University Policy 3.2, Travel Expenses pertains to the individual business travel of Cornell faculty and staff members, which is initially paid by the individual using a Cornell corporate travel card or other personal credit card, and then reimbursed as appropriate. This policy should not be confused with the special considerations for BSC pcards outlined in this section.

University Events: Catering and/or Event Space Rental

Outlined below are the limited instances in which an BSC pcard may be used for payments up to $10,000 for catering, event space rental, and events that include both food and space. All conditions outlined must be met in order for any payment (including a deposit) to be made on an BSC pcard.

Considerations when Making Payments for Catering and/or Event Space Rental:

- Catering occurs when a vendor prepares, sets up, serves, or cleans up food on Cornell controlled property, including both facilities owned by Cornell and facilities that may be rented or leased and only under Cornell’s control for the period of the event, i.e., rented banquet hall. Catering should not be confused with simple delivery where no service is provided on site, i.e., pizza delivery.
- BSC Directors have been delegated the authority to execute (sign) contracts and addendums up to $25,000 for catering, event space rental, and events that include both food and space. When the contract total exceeds $25,000, Procurement will execute the contract as part of the purchase order issuance process; therefore, BSC Directors will not sign these contracts.
- When the BSC Director is authorized to execute a contract, it is recommended that the vendor’s insurance certificates be on file. BSCs should request insurance certificates and, when possible, attach the documents to the pcard doc (PCDO) in KFS. Payment via pcard need not be delayed based upon receipt of the insurance documents since Cornell’s standard Catering Contract and Event Addendum contain language on indemnification.
- It is NOT recommended that 100% of the order total be paid in advance; deposits should be limited to 50% of the total.
Catering Only

Less than $10,000:
- The unit will request that the vendor complete Cornell's standard Caterer Contract, after which the unit will complete their portion of the document and send to the BSC. Lastly, the BSC Director or designee executes (signs) the contract.
- After the signed contract is sent back to the vendor, the BSC may proceed with a deposit up to 50% of the total, not to exceed $5,000.
- The final balance may be made via pcard so long as the total amount, including the deposit, has not exceeded $10,000.

$10,000 or greater:
- The unit will request that the vendor complete Cornell's standard Caterer Contract, after which the unit will complete their portion of the document and send to the BSC. The BSC Director does not sign this document.
- The BSC will attach the contract to a requisition in KFS and note the amount of the deposit (if any) that is being paid via pcard.
- If any payment is due in less than ten days, please note the due date on the Req. Consider following up with Procurement Services via email, as described below in Conditions for Review and Approval of Contracts by Procurement Services.
- After the purchase order is issued, the BSC may proceed with a deposit up to 50% of the total, not to exceed $10,000. If the final payment is greater than $10,000, then pay via the purchase order.
- After the deposit (if any) is made, the BSC will go back to the purchase order and note the PCDO number. In addition, the purchase order number will be recorded in the Notes field of the PCDO.

Caution: If a caterer provides its own contract, instead of signing Cornell's standard Caterer Contract, please contact Procurement Services. It is essential that contracts for catering contain language regarding indemnification and it must be determined that the caterer is indeed an independent contractor. Therefore, a procurement agent will need to review the document(s).

Note: If the caterer has signed a University Contract, then that caterer has already agreed to Cornell University's terms and conditions; therefore, the transaction does not require the Standard Catering Contract and only the details for the event are required (e.g., dates, times, menu, room set-up, number of attendees, etc.). To determine if your caterer has signed a University Contract, see “Caterer and Restaurant List” on Procurement Services website at https://www.dfa.cornell.edu/procurement/buyers/hiring-caterers.

Event Space Rental and Event Space with Catering (same process)
In nearly all cases, vendors supplying event space or event space with catering will present the unit with their own contract. If you encounter a vendor that does provide you with a contract specific to your event, please contact Procurement.

Less than $10,000:
- The unit will request that the vendor complete Cornell's Addendum for Facility Contract Agreements, after which the unit will complete its portion of the document and send both the
vendor’s contract and Event Addendum to the BSC. Lastly, the BSC Director or designee executes (signs) both the vendor contract and Cornell’s Event Addendum.

- **After** the contract and Event Addendum are signed and sent to the vendor, the BSC may proceed with a deposit up to 50% of the total, not to exceed $5,000.
- The final balance may be made via pcard so long as the total amount, including the deposit, has not exceeded $10,000. If the final payment is greater than $10,000, then pay via the purchase order.

**$10,000 or greater:**

- The unit will request that the vendor complete Cornell’s [Addendum for Facility Contract Agreements](https://www.dfa.cornell.edu/procurement/tools/forms/forms/contracts), after which the unit will complete its portion of the document and send both the vendor’s contract and the Event Addendum to the BSC. The BSC Director does not sign these documents.
- The BSC will attach the vendor contract and Event Addendum to a requisition in KFS and note the amount of the deposit (if any) that is being paid via pcard.
- If any payment is due in less than ten days, please note the due date on the requisition. Consider following up with Procurement Services via email, as described below in Conditions for Review and Approval of Contracts by Procurement Services.
- **After** the purchase order is issued, the BSC may proceed with a deposit up to 50% of the total, not to exceed $10,000.
- After the deposit (if any) is made, the BSC will go back to the purchase order and note the PCDO number. In addition, the purchase order number will be recorded in the Notes field of the PCDO.

**Other Services**

BSCs are routinely requested to pay for services (or deposits on a service) via pcard. This occurs even at low dollar levels since regular cardholders have been restricted to a finite list of services that are considered low risk (see details in **Section 302, PCard Prohibited Transactions**). For these reasons, we are providing below some general information on issues to consider when procuring services.

Most services, regardless of where they are performed, require a contract. Even when the service provider does not require a contract, it is the responsibility of the BSC to evaluate the service being provided to determine if the resources of the university would be best protected by the issuance of a contract. This may be a contract that is specific to the service being provided and/or the standard terms and conditions associated with a purchase order. The BSC should consider the total value of the services, the possible need for a warranty, and risk to property and persons that could create a liability to the
Section 307

Subject: Special Considerations for FTC/BSC Cardholders

For a service to be eligible for payment up to $10,000 via BSC pcard, all of the following conditions for use must be met.

Conditions for Use
A. The entity being paid for the service must be a corporation, partnership, LLC or LLP. If you are paying an individual, i.e., not one of the business entities listed, you must refer to Section 700 of this manual and perform the Independent Contractor analysis in order to ensure that you are NOT paying an individual who should be classified as an employee and paid through the payroll system.

Caution: You may not pay a current employee via pcard. You may not pay an individual who has been employed by Cornell at any time in the current calendar year via pcard. You may not pay a foreign national for services performed within the United States via pcard.

B. The contract (when needed) must be executed by Procurement prior to any payment (including a deposit) being made. See Conditions for Review and Approval of Contracts by Procurement Services below.

C. The service provider must meet Cornell’s insurance requirements. This rule applies regardless of where the services will be performed. The BSC must check Procurement’s website to verify that the vendor appears on the list of suppliers that have current, adequate insurance, which can be found at https://www.dfa.cornell.edu/procurement/buyers/insurance.

Conditions for Review and Approval of Contracts by Procurement Services
When a contract is necessary, the appropriate Unit representative will review the document and signify review and acceptance of the vendor’s terms by electronically submitting the documents via email, I Want Doc, or Requisition. The BSC representative will review the agreement and attach all contracts to the requisition. Procurement will perform the final review and sign the agreement on behalf of the University.

Caution: Do not sign on the signature line as Procurement is required to sign on behalf of the University. In all cases, units will send a contract to their BSC, who will then forward to Procurement as an attachment to a requisition for review and approval.

Note: To expedite the process for an event or other service where a deposit must be made within the next ten (10) days, the BSC will initiate a requisition, attaching the vendor’s signed contract and addendum, and then contact Procurement to alert them to the deadline.
Responsibilities

Cardholder

1. Read and understand this policy.

2. Keep your pcard number confidential; lending or sharing the card is not allowed. Keep your card secure (on your person or in a locked file/drawer).

3. Comply with the per-transaction and overall monthly cycle limit on your procurement card.

4. Never "split" the cost of one single item (whether good or service) into multiple payments in order to circumvent the per transaction limit of the pcard.

   *Caution*: Do not make multiple purchases of the same item such that the total combined value of the purchases would require the completion of a bid through Procurement and Payment Services. See “The Purchase Order Process” section of this manual for details on the bid process.

5. Consult your FTC or BSC if you need to make a purchase that is not allowed on pcard, or that exceeds your pcard transaction limit.

6. Purchase only business-related items permitted by University Policy 3.14, Business Expenses. Do NOT purchase any good or service contained in “Prohibited Transactions”; never use the card for personal expenses.

7. The cardholder is responsible for ensuring that any expense paid by procurement card is not otherwise submitted for reimbursement or used for any inappropriate purpose.

8. Inform the vendor that your purchase is exempt from New York State sales tax. If the vendor will not grant a sales tax exemption, note the vendor’s refusal on your receipt.

9. Submit sufficient documentary evidence, including original receipts, account(s) to be charged, and an explanation to support the business purpose of each purchase on your card via the PCard Receipt Processing System. You must redact any sensitive data (e.g., credit card numbers) from the documentation prior to uploading it. Submission of the documentation will occur within ten days of your receipt of the email notification from the PCard Receipt Processing System. See “Documentation Requirements” for further details on documentation.

   *Caution*: The requirement to provide sufficient documentary evidence exists even when you are away from your primary work location, especially in light of increased credit card fraud.

   *Caution*: If the amount charged to your pcard differs from the amount on your receipt, contact the merchant and note the reason for the price difference within the business purpose field of the PCard Receipt Scanning System.

10. Retain all original supporting documentation of purchases (i.e., receipts, packing slips) for all fund types for 60 days from the submission date, then you may discard it. Follow your department procedures for storage location.

11. Review your credit card statement upon receipt and if any errors are identified, follow the procedures outlined in “Dispute Process - Correcting Erroneous Charges on the PCard.”
Note: Credit card statements are issued only if there is activity on the account during the month. These statements are not subject to University Policy 4.7, Retention of University Records, and may be shredded if unit practice permits (supervisors may wish to review and/or retain statements).

12. If you authorize a regular monthly charge to your card, you are responsible for notifying the vendor in the event that your card number changes or your account is closed or suspended.

Caution: Failure to comply with university policy, including all procedures outlined in this manual, will result in the suspension or revocation of your procurement card.

**Business Service Center Director**

1. Appoint one or more procurement card coordinators (i.e., Fiscal Officer’s delegates for PCDO’s in KFS). This person must have appropriate knowledge of financial, purchasing and accounting policies and be employed directly in your center.

2. Provide procurement card applications to supervisors, as requested. Do not supply applications directly to applicants.

3. Review procurement card applications:
   - to ensure the form is complete
   - for reasonableness of request
   - to determine applicant’s prior history of policy compliance (assuming he or she previously held a pcard in a unit served by your BSC)
   - to recommend the application for approval, OR notify the supervisor and unit chair/business manager that the application has been rejected

Caution: If an applicant formerly held a pcard, there must be compelling evidence that the card is essential for that individual’s job function and that they were compliant with university policies related to procurement cards.

See the Office of Credit Card Programs web pages for further details on the application process.

4. Review the policy violation information provided by your procurement card coordinator(s).

5. Take appropriate action to ensure that violations of this policy result in the suspension or revocation of the procurement card, as described in section 306, Policy Violations.

6. Review with Unit Managers any pcard that has not been used at least 12 times in any one year for possible closure. Notify each cardholder, whose account is to be closed, and then request the Office of Credit Card Programs close the account.

7. Report incidences of possible abuse of procurement card privileges, or the fraudulent use of a procurement card, to the University Audit Office, as required by University Policy 3.6, Financial Irregularities.

Note: Contact the Office of Credit Card Programs, in the Division of Financial Affairs, at any time for guidance on suspensions, revocations, and other issues.
Office of Credit Card Programs

1. Administer change to this manual

2. Provide guidance (BSC Directors, Procurement Card Coordinators, Supervisors, and Cardholders)

3. Provide information and updates to Procurement Card Coordinators as needed

4. Review applications

5. Serve as university contact with financial institution issuing procurement cards

6. Close pcards as requested by BSCs

7. Suspend/revoke procurement cards as necessary based on the results of reviews by Disbursement Quality Assurance, the University Audit Office, other external auditors, and/or the findings of The Office of Credit Card Programs, as described in section 306, Policy Violations

Procurement Card Coordinator

1. Read and understand this manual

2. Complete the procurement card online tutorial. For instructions and a link to the tutorial in CU Learn, please see https://www.dfa.cornell.edu/procurement/buyers/credit-cards/procurement-card/applying

3. Assist, as necessary, with procurement card applications, disputes, and account maintenance

† Caution: Do NOT store credit card numbers.

4. Review each procurement card charge found in your KFS action list to ensure that each charge has sufficient supporting documentation, an appropriate object code, and a documented business purpose that is in compliance with university policy and other restrictions applicable to the account. Each PCDO doc in KFS should, when possible, be reviewed as described and then approved prior to the doc auto-approving in KFS. Utilize the scanned images and other data provided by the cardholder in your ImageNow BSC workflow queue. After approving the PCDO, route forward the ImageNow record in the BSC workflow queue† Caution: When sales tax is a component of a transaction that is otherwise classified as federal unallowable (e.g., alcohol), it MUST be recorded with a federal unallowable object code and must not be charged to Federal or State appropriations or any grant or contract account (Funds AP and CG.) Sales tax on goods/services that are not classified as federal unallowable does not require a federal unallowable object code.

5. Review “auto approved” pcard charges to ensure that:

• The transaction is placed on the correct account.
• Necessary information (i.e., what was purchased, business purpose, explanation of why original receipt not turned in) is collected via the PCard Receipt Processing System, as described in “Documenting Procurement Card Transactions”.

Section 308
If the transaction was not performed by the cardholder, direct the cardholder to contact the bank so that the charge may be disputed or reported as fraudulent (see details on disputing a transaction in "Dispute Process – Correcting Erroneous Charges on the PCard" in Section 305)

6. Determine that any credit issued for a procurement card purchase reflects the exact account number(s) charged for the initial purchase

7. Report to your BSC director any violation of university policy, including this manual. Violations include, but are not limited to: missing documentation, performance of a prohibited transaction, splitting a transaction, lending/sharing of pcard, transactions exceeding the pcard limit, accidental personal use of pcard, late submission of documentation

8. Close procurement card accounts based upon instructions provided by the cardholder’s supervisor, unit human resources representative, or BSC director. Destroy the card immediately. For details on closing an account, see Account Closures and Other Changes to Procurement Cards, in this manual

9. Report incidences of possible abuse of procurement card privileges, or the fraudulent use of a procurement card, to the University Audit Office, as required by University Policy 3.6, Financial Irregularities

**Supervisor**

1. Request a procurement card application from your BSC director ONLY for those individuals whose position requires frequent business-related purchases, as outlined in his/her job description

2. Implement procedures to re-evaluate the need for a procurement card whenever a staff member’s job requirements or status changes

3. When a staff member begins any type of university leaves that extends beyond 30 days, or will be for an unknown duration, request that your BSC suspend the pcard. Upon the staff member’s return, the supervisor may request the BSC to re-activate the pcard

4. Implement procedures to ensure that any expenses charged on a procurement card that would normally seem to be for personal use, such as CDs, videos, meals, and so forth, are based on the cardholder’s job requirements

5. Submit a request to the appropriate procurement card coordinator when an account must be closed due to termination or change of status

6. Assist the BSC director in suspending or revoking a cardholder’s pcard privileges, as requested
Unit Chair or Business Manager

1. Review procurement card applications to ensure that the applicant has job responsibilities that include frequent business-related purchases

2. Assist the BSC director in suspending or revoking a cardholder’s pcard privileges, as requested

Senior Finance Group or Senior Business Group (SFG/SBG) Member

1. Review section 306, Policy Violations and understand your responsibilities

2. Review the policy violations brought to your attention by the Office of Credit Card Programs and determine whether it is reasonable to revoke or reactivate the card; communicate your decision to the Office of Credit Card Programs
Corporate Travel Cards

Introduction
A corporate travel card is a personal liability charge card that is used for the payment of business-related expenses. The bill is sent directly to the cardholder, and he or she is responsible for remitting payment directly to the financial institution. The card has certain benefits that have been negotiated by the university. For example, there is no annual fee. Please see the Card Highlights Chart for further details.

Although the corporate travel card is a personal liability, the cardholder's agreement with the financial institution requires that purchases and cash advances be for business-related expenses only.

Eligibility
Cornell University faculty or staff members are eligible to apply for a corporate travel card if they meet all of the following criteria:

- His or her position at the university requires business travel at least once per year and/or you regularly host business meals;
- He or she has been authorized to apply for a travel card by your supervisor and your unit's business manager or chair;
- He or she has completed an application and agreed to the financial institution's Cardholder Agreement;
- He or she has not previously held a corporate card with a balance that reached 180 days past due.

Benefits of the Card
The corporate travel card offers several benefits. For example, cash access, no annual fee, rental car insurance, and baggage insurance. The following information outlines the benefits of the card:

- Highlights of the US Bank Travel Card
- Travel Accident Insurance Program (coverage during travel on a common carrier)
- VISA 911 Benefits (Travel and Emergency Assistance and Auto Rental Collision Damage Waiver programs)
- Lost Luggage Insurance

Applying
To apply for a corporate travel card, use the link to the application form below. After the applicant completes his or her portion, the supervisor will sign and attest to the applicant's eligibility. The unit business manager or chair may then approve the form and send it to Credit Card Programs, which will perform a final review and submit it to the financial institution. The applicant will receive the card approximately two weeks from the date that Credit Card Programs receives the application.
The financial institution may refuse to issue a card or limit the amount available for purchases and cash advances, based on their evaluation of the applicant's credit worthiness. In any case, the financial institution will contact the applicant directly.

- Application Form
- US Bank’s Commercial Cardholder Agreement (your agreement with US Bank)
Responsibilities

Paying Your Bill
The corporate travel card is a personal liability, and the cardholder is responsible for paying each monthly statement in full, even when on an extended trip. Payment must post to the account on or before the 15th of each month. Cardholders may complete their payment by mail, telephone, or online. The amount of time it will take for a payment to post will vary based on the payment method.

- Payments sent via US Mail will take several days to post (cardholder statements contain a suggested “mail by” date).
- Online payments require up to 3 business days to post (see “Online Access” below).
- Payments initiated by phone (telepay) will post as follows:
  - Pay before 1 PM EST on a business day and payment will post that same day
  - Pay after 1 PM EST on a business day and payment will post the next business day
  - Pay on a weekend and payment will post on Monday (or the next bank business day)

The requirement to pay a corporate travel card bill on time exists even when the cardholder is on an extended trip. If a corporate travel card bill will be due before the time the cardholder will return from business travel, the cardholder should contact his or her BSC.

Caution: The financial institution will assess late fees to any account that is not paid on time. Late fees will not be reimbursed by the university.

Online Access - Paying and Viewing
You may view your corporate card account and make payments online by registering with US Bank. For instructions, please visit: https://www.dfa.cornell.edu/procurement/buyers/credit-cards/corporate-card/paying.

Bills Not Paid on Time
Balances on your corporate travel card must be paid by the due date on the card, there is no option to pay your balance over time. Listed below are the timeframes for payment and the actions that are taken by the financial institution and Cornell University when a balance is past due.

- **Balance not paid by the due date of the first statement**: After the due date passes, the balance on the account is now 30 days past due. Cornell’s contract with the financial institution waives this first late fee.

- **Balance not paid by the due date of the second statement**: After the due date passes, the balance on the account is now 60 days past due. The account is suspended. The financial institution will assess a 2.5% late fee on the entire past due amount and begin collection efforts.

- **Balance not paid by the due date of the third statement**: After the due date passes, the balance on the account is now 90 days past due. The Office of Credit Card Programs is required to send a courtesy email reminder to the cardholder, copying the supervisor, BSC Director and Senior Finance/Small Business Group member. The financial institution will again assess a 2.5% late fee on the entire past due amount and begin collection efforts.
At 120 – 150 days past due: Late fees continue to accrue at 2.5% of the entire past due balance each cycle. Collection efforts continue.

At 180 days past due: Late fees continue to accrue at 2.5% of the entire past due balance each cycle. US Bank continues collection efforts and will report the debt to the major credit bureaus. Cornell will incur a penalty equal to the amount of the balance due on the account and this sum will be charged to the cardholder’s unit. The cardholder is now ineligible for any other card product offered through Cornell University’s Credit Card Programs.

Lost or Stolen Cards
If your card is lost or stolen, contact the financial institution immediately, so that the account can be shut down. A new card, with a new account number, will be mailed to you.

Cards Not in Use
The financial institution will close any corporate travel card account not used within a 24-month period.

Unit Liability
As described in “Bills Not Paid on Time,” if any portion of a corporate travel card holder’s balance reaches 180 days past due, the university incurs a penalty equal to the balance due on the account. The cardholder’s unit will be responsible for this fee and Credit Card Programs will contact the unit’s BSC to arrange for the transfer of the funds to a central account.

If the university is held liable for charge(s) to a corporate travel card incurred after a cardholder is no longer in the service of the University, the unit that employed the cardholder will be responsible for paying those charges. It is, therefore, essential that the unit requests closure of the corporate travel card account when an employee terminates his or her service to the University.

The information in this section applies only to the users of the NEW university-paid travel and meal card. These cards are being issued in conjunction with the roll-out of Concur, the university’s new travel system. You will be invited to apply for a new travel and meal card if you meet the eligibility requirements (defined in this section) when your unit is enrolled in Concur. The new travel and meal cards will not be issued to any individual in advance of his/her unit being on-boarded in Concur.

**Introduction**

A “travel and meal card,” also referred to as the T&M card, is a university liability credit card that is issued in an employee’s name. The card is used for the payment of travel-related business expenses, including locally hosted business meals. The bill for all charges on T&M cards is paid centrally by the university. Cardholders will not make any payments to the issuing bank.

Charges to the T&M cards are automatically uploaded to the university’s travel expense system, Concur. Cardholders are required to complete expense reports within Concur in a timely fashion, in compliance with University Policy 3.3, Travel Expenses for Concur Users. Completing the expense report allows transactions on the travel card to be charged against one or more unit accounts.

All charges to the T&M card must be for business purposes only and in full compliance with other university policies, particularly University Policy 3.3, Travel Expenses for Concur Users and 3.14, Business Expenses. The cardholder is responsible for providing supporting documentation and an explanation of business purpose for all charges to the T&M card.

*Caution:* Failure to use the T&M card in compliance with university policy, including the terms outlined in this manual, can result in the suspension or revocation of the T&M card and possible disciplinary action. Fraudulent use of the T&M card can result in employee termination, expulsion from school (for students), and criminal charges.

**Eligibility**

Cornell University faculty and staff members are eligible to apply for a T&M card if the applicant has NOT incurred a write-off (i.e. reached 180 days past due) on a personal liability corporate travel card AND his/her position at the university requires any of the following:

1. Business travel at least once per year
2. Booking of visitor travel at least once per year
3. Hosting of business meals

**Use of the Card**

The T&M card may be used for travel-related expenses such as airfare, hotel, meals, registration fees, and incidental supply needs that may arise during travel, for example, replacement of a traveler’s lost laptop power cord. See University Policy 3.3, Travel Expenses for Concur Users, for specific details on the types of expenses allowed by the university during business travel.

*Caution:* The T&M card is NOT intended for use as a procurement tool for non-travel goods and services. The card must never be used for services requiring a contract, such as catering.

Meals while traveling should be paid for with the T&M card when using the receipted meals method. When choosing to receive per-diem for meals, travelers may find it easier to pay for meals with personal funds to avoid repaying the university in the event that the per-diem amount is exceeded.

Locally hosted meals should be paid for with the T&M card. When an individual does not have a T&M card, it is acceptable to utilize a pcard for local meals.
The travel card holder may also utilize his/her card for the payment of travel expenses for other university travelers, including guests. The cardholder is still subject to the requirements outlined below in “Documentation and Expense Report Requirements.”

♦ Note: The T&M card is not to be used for personal purchases; however, it is understood that there are limited circumstances when this may occur. Examples of this may include, but are not limited to, a spouse attends a business meal and it is impractical to separate the bill; the traveler’s meal expenses exceed the per-diem allowance. Under these unique circumstances, the cardholder will be allowed to reimburse the university.

Applying
Applications for T&M cards will be supplied only to those individuals specifically authorized by their unit and in conjunction with the rollout of Concur.

Cash Advance Requests
Travelers in need of a cash advance will make the request through Concur. T&M cards are not issued with the cash access feature enabled (i.e., you cannot obtain cash via an ATM). Should the cardholder have an unusual business need for cash, it is possible to activate the cash feature on the T&M card. Permission must be obtained from the cardholder’s Senior Financial Group (SFG) or Senior Business Group (SBG) member. The SFG or SBG member will contact Credit Card Programs (creditcards@cornell.edu) to authorize cash access enablement for the cardholder for a specific timeframe and dollar amount.

♦ Note: A personal identification number (PIN), which is normally selected by the cardholder during the T&M card activation process is required for cash access via an ATM.

Documentation and Expense Report Requirements
Cornell requires that all cardholders submit documentation for all purchases on their T&M card. Sufficient documentary evidence is necessary in order to comply with university policies, sound business practices, and the requirements of external and internal reviewers.

Cardholders are required to ensure that documentation supporting each transaction on the T&M card is stored electronically within Concur and associated with the appropriate expense report. Cardholders must retain original documentation for 60 days after their expense reports have been submitted.

See University Policy 3.3, Travel Expenses for Concur Users for details on documentation requirements for travel. Further information on Concur, including creation of expense reports, can be found at http://www.blogs.cornell.edu/travel/training-and-guides/.

Policy Violations
Failure to use the T&M card in compliance with university policy, including the terms outlined in this manual, can result in the suspension or revocation of the T&M card and possible disciplinary action. Fraudulent use of the T&M card can result in employee termination, expulsion from school (for students), and criminal charges.

Examples of policy violations that may results in the suspension of the T&M card include, but are not limited to:
1. Failure to supply documentation for charges to the card
2. Failure to complete expense reports within Concur in a timely fashion
3. Payment of personal expenses with the T&M card beyond what may be considered reasonable, as described under “Use of the Card”
4. Failure to reimburse Cornell in a timely fashion for any charge to the T&M card that has been identified as personal
5. Use of the card for business expenses that were not related to travel or locally hosted business meals, as described under “Use of the Card”

6. Lending/sharing your card

Since travel expense reports are reviewed by the KFS Org Manager (a position that is generally within the unit), each KFS Org Manager is responsible for reporting all policy violations to the appropriate BSC Director. A request for suspension will be sent to Card Programs by the BSC Director, or their designee, and the card will remain suspended until such time as the violation has been corrected, i.e., documentation is submitted, expense report completed, repayment of personal expense is made.

If it is necessary to suspend a T&M card more than once in any 12 month period, the BSC Director will notify the SFG/SBG member. If/when the SFG/SBG member is satisfied that the cardholder understands the requirements of using a T&M card, he/she will submit a request to Card Programs to reinstate the card.

Errors on Your Card: Disputing a Charge/Reporting Fraud

Cardholders will receive a monthly statement from the issuing bank - this is not a bill. Cardholders will NOT make a payment to the issuing bank. Cardholders should review all expenses on the monthly statement for accuracy.

If a cardholder has authorized a vendor to charge his or her T&M card and the resulting charge is incorrect, the cardholder should first contact the vendor and attempt to resolve the error. Some examples of common “errors” are: incorrect dollar amount, duplicate charge, or credit not received. If the error is not resolved by contacting the vendor, the following steps will be taken:

1. The cardholder will contact the issuing bank to initiate a charge dispute.
2. The issuing bank will provide the cardholder with the appropriate charge dispute form.
3. The cardholder will complete the charge dispute form and fax it back to the financial institution within 60 days of the statement date on which the error appeared.
4. The financial institution must acknowledge the charge dispute within 30 days of receipt of the form.
5. Within 90 days of receipt of the form, the financial institution will correct the error or provide an explanation as to why the charge is correct.

Caution: If the cardholder has not authorized a vendor to charge the T&M card, then the cardholder must assume that an unauthorized party has obtained his or her card number and must contact the financial institution immediately. The card account will be shut down and a new T&M card, with a new account number, will be mailed to the cardholder. The financial institution may also request that the cardholder confirm the fraudulent use of the card by completing an affidavit of fraud form, which the financial institution will mail to the cardholder.

Lost or Stolen Cards

If a T&M card is lost or stolen, the cardholder must contact the financial institution immediately to ensure that fraudulent use of the card does not occur. The financial institution will shut down the travel card account and will mail a new card, with a new account number, to the cardholder.

Cardholders Change of Status

If a cardholder is on any type of university leave that extends beyond 30 days or is for an unknown duration, that individual’s card must be suspended. The individual’s supervisor will inform the BSC of the date that the cardholder’s leave will start. Suspending the T&M card will prevent unauthorized use of the account during a time when the cardholder is not available to dispute the charge. See Account Closures and Other Changes to T&M Cards for further details on suspending an account.

Purchases Rejected By Vendors
If a purchase is declined at the point of sale, the cardholder may call the financial institution or his/her BSC to obtain the reason. If a card is accidentally destroyed or is damaged and cannot be used, the cardholder will contact the financial institution to request a replacement card.

Account Closures and Other Changes to T&M Cards
Representatives of the cardholder’s BSC will utilize the Credit Card Update form to request name or address changes, account suspensions and closures. The form may be found at https://www.dfa.cornell.edu/procurement/buyers/credit-cards/procurement-card/forms.

♦ Note: When a T&M card is lost or stolen, and the financial institution subsequently issues a new credit card with a new account number; a Credit Card Update form does not need to be submitted. (See “Lost or Stolen Cards” above.)

Expiring Cards
A T&M card near its expiration date will automatically be replaced by the financial institution, no later than 7 days prior to the end of the month in which the card expires. If a replacement for the expiring card has not been received within 7 days of the end of the month in which the card will expire, the cardholder will contact the financial institution.

Inactive Cards – Yearly Review
An unused and potentially unmonitored credit card account creates the opportunity for fraudulent use by unauthorized parties; therefore, BSC Directors should close any T&M card that is not routinely used at least once per year. To facilitate the review of cards, the Office of Credit Card Programs will supply BSC Directors with an annual report of card usage. It is the responsibility of each BSC Director to review this information with Unit Managers to ensure that all cardholders continue to meet minimum eligibility requirements. The BSC Director will notify any cardholder whose account is to be closed and then submit the closure request to the Office of Credit Card Programs.
Responsibilities for the University Paid Travel and Meal Card (Interim)

Cardholder
1. Understand and abide by the requirements of using a T&M card as outlined in the Travel and Meal Card section of this manual and University Policy 3.3, Travel Expenses for Concur Users.

2. Contact the issuing bank immediately if your card is lost or stolen, or if you identify a charge on your card that you did not authorize.

3. Keep your T&M card number confidential (lending or sharing the card is not allowed) and the card itself secure (keep it on your person or in a locked file/drawer).

4. Collect supporting documentation for all charges to the card and ensure that the documentation is stored electronically, within Concur, and associated with the appropriate expense report.

5. Complete expense reports in Concur in a timely fashion in compliance with University Policy 3.3, Travel Expenses for Concur Users.

6. Retain original documentation for 60 days after the expense report has been submitted.

7. Do not use the T&M card for personal expenses, beyond what may be considered reasonable, as described under the "Use of the Card" section of the manual.
   ♦ Caution: Any charge to the T&M card that is deemed to be a personal expense must be reimbursed to the university.

8. Do not use the T&M card for business expenses that are not related to travel or locally hosted business meals, as described under the "Use of the Card" section of the manual.
   ♦ Caution: Failure to comply with university policy, including all procedures outlined in this manual, may result in the suspension or revocation of your card.

Supervisor
1. Approve T&M card applications only for those individuals that meet the eligibility requirements outlined in this manual.

2. Contact your BSC director to request a card suspension in the event that your direct report/cardholder will be on any type of university leave for greater than 30 days or for an unknown duration.

3. Contact your BSC director to request a travel card closure in the event that your direct report/cardholder is leaving his/her position.

4. Assist the BSC director in suspending or revoking a cardholder’s T&M card privileges, as requested.

KFS Org Manager
1. Review charges to the T&M card contained in expense reports.

2. Report any charges to a T&M card that do not comply with university policy, including this manual, to your BSC director.

3. Collect reimbursement for any personal charge to a T&M card and forward to your BSC for deposit; include instructions on the account that is to be reimbursed.
4. Assist your BSC director in the yearly review of T&M cards and the determination as to whether the cardholders continue to meet the eligibility requirements for a card.

5. Report incidences of possible abuse of T&M card privileges, or the fraudulent use of a card, to the University Audit office, as required by University Policy 3.6, Financial Irregularities.

**Business Service Center Director**

1. Review card misuse, as reported by the KFS Org Manager, and request suspension of T&M cards as outlined in this manual.

2. Request that Card Programs suspend a T&M card when a cardholder’s supervisor reports that the cardholder is on leave.

3. Request that Card Programs close a T&M card when a cardholder’s supervisor reports that the cardholder has left his/her position.

4. Deposit any reimbursement of personal charges to a T&M card to the account identified by the KFS Org Manager.

5. Conduct an annual review with the KFS Org Manager of all T&M card holders in the unit and close any account where the cardholder no longer meets eligibility requirements.

6. Report incidences of possible abuse of T&M card privileges, or the fraudulent use of a card, to the University Audit office, as required by University Policy 3.6, Financial Irregularities.

**Senior Financial Group or Small Business Group Member**

1. Review requests for cash access on a T&M card and request that cash be enabled on the card only in the event that there is an unusual business need. Send the request for cash access to creditcards@cornell.edu and specify the cardholder, location of travel, timeframe and dollar amount to be made available.

2. Review instances of card suspensions, as reported by your BSC Director.

3. Request reactivation of a suspended T&M card only in the event you believe the cardholder understands the requirements of using a T&M card; contact creditcards@cornell.edu to request card reinstatement.

**Card Programs**

1. Administer changes to this manual.

2. Provide guidance to campus, i.e., BSC directors, KFS Org Managers, Supervisors, SFG/SBG members, and cardholders.

3. Provide information and updates to campus customers, as needed.

4. Review applications and contact the supervisor if an applicant does not meet the eligibility requirements outlined in this manual.

5. Serve as university contact with the financial institution issuing cards.

6. Close or suspend cards as requested by the BSC director or a cardholder’s supervisor.

7. Revoke cards as requested by SFG/SBG members or as a result of the findings of University Audit or external auditors.
