Special Considerations for BSC Cardholders

This section describes special permissions that have been granted to the Business Service Center (BSC) procurement cardholders for the payment of Cornell faculty, staff and student group travel, visitor travel, catering, other event-related expenses, and various services. In order to qualify for a payment (including a deposit) on a BSC pcard, all of the following general conditions must be met, in addition to any specific restrictions listed in each topic below.

General Conditions for all BSC PCard Transactions

- Payments must be made using an BSC pcard; authorization may NOT be extended to a regular card or cardholder, unless specifically stated.
- The BSC will be allowed to pay up to the first $10,000 of the expenses described in this section using an BSC procurement card so long as the necessary contract(s) has been executed (signed/approved) prior to any such payment (including a deposit) being made.
- When the transaction’s total exceeds $10,000, payment of the balance remaining after the deposit is paid via BSC pcard, must be requested via the purchase order process.
- When collection of insurance certificates is required (as listed in each topic below), the insurance must be verified prior to any payment (including a deposit) being made.
- When a transaction is paid for using both a pcard and the PO process, each transaction must contain a reference to the other in order to create an appropriate audit trail. The BSC will record the Procurement Card Doc (PCDO) number found in KFS from the initial pcard payment in the Notes tab of the Purchase Order that was issued for the remaining balance. In addition, the PO number will be recorded in the Notes tab of the PCDO.

Caution: Payments may not be requested via Disbursement Voucher (DV) because this payment method does not advance “administrative ease” for the institution as a whole.

Note: Procurement and Payment Services (Procurement) will assist in the collection of insurance certificates from vendors when required per Section 405. Notify Procurement far enough in advance of any payment (including a deposit) to allow adequate time to request and receive the required insurance certificates.

Group and Visitor Travel Allowed on a BSC PCard

Outlined below are the limited instances in which a BSC pcard may be used to pay for group and visitor lodging and commercial transportation (i.e., airline, train) up to the first $10,000. All conditions for use outlined below must be met for the payment to qualify for the use of a BSC pcard.

Conditions for Use

A. An individual for whom a travel-related payment, as described in items B through F below, is being made must meet one of the following definitions:

1. Group – three or more Cornell faculty, staff or students who are traveling together on university business.

   Caution: Payment of travel expenses for students are subject to many rules and regulations and must often be processed through Financial Aid. Class trips, conference attendance, or other mission related educational travel may be directly paid from unrestricted department funds only. Travel awards (regardless of sources of funds), travel stipends and payment for travel from funds designated for scholarship must be processed through the Financial Aid System (RUSS form). Pay special attention to documenting the business purpose for student
travel. Contact the University's Tax Manager for more information or clarification. Before paying any travel related expense directly on behalf of a student, consult with tax@cornell.edu to verify that it does not need to be processed through Financial Aid.

2. Visitor – an individual traveling at the request of a Cornell faculty/staff who is not being compensated for services, e.g., individuals interviewing for a position or a guest receiving only an honorarium.

B. Lodging. Payment for lodging at a hotel for a Cornell group or visitors may be made via BSC pcard so long as the hotel meets the conditions below. Lodging for individual faculty, staff and students may not be paid via pcard, see Policy 3.2, University Travel.

1. If the hotel requires only a “confirmation/reservation form” that notes just the number of rooms, dates, cost, and cancellation policy, then it is acceptable for the unit to complete and sign this form.

Caution: If the hotel requests completion of a form that has any additional terms and conditions that may be considered a “contract”, then it must be forwarded to Procurement for approval/signature, prior to any payment (including a deposit) being made. See Conditions for Review of Contracts by Procurement Services below.

2. The hotel may not be a Bed and Breakfast establishment nor an Airbnb.

3. Payment to the hotel may include food and beverages provided by the hotel for the group members (e.g., group dinner at a restaurant within the hotel) as well as minor miscellaneous charges (e.g., internet usage fees). If paying for catering services by the hotel or another vendor or facility rental charges (non-lodging), please read the remainder of this section to ensure that requirements for making any portion of the payment via BSC pcard are met.

C. Airfare. Domestic and international travel may be paid via BSC pcard for a group or for visitors.

1. Individual travel for Cornell faculty, staff, or students may not be paid via pcard.

Caution: Use of Sponsored Funds requires compliance with the Fly America Act (see http://www.dfa.cornell.edu/accounting/topics/sponsoredfinance/training.cfm).

D. Limousine service and taxis. Limousine (capacity not to exceed 8 passengers) and taxi services, e.g., Ithaca Airline Limousine, may be paid via BSC pcard for a group or for visitors (not for individual faculty, staff, or student); insurance must be on file with Procurement for the limousine or taxi company.

E. Train. Train travel for a group or visitors (not for individual faculty, staff, or students) may be paid via BSC pcard.

F. Bus(es). Buses may not be chartered via BSC pcard. A purchase order must be issued.

Notes:
- The BSC needs to be aware that when a hotel has a credit card on file, there is a risk that other goods/services could be charged to the room such as food, in-room movies, etc. It is the responsibility of the BSC to collect reimbursement from the traveler where appropriate.
- The university hosts a website known as the Travel Portal, which contains links to several travel vendors.
- University Policy 3.2, Travel Expenses pertains to the individual business travel of Cornell faculty and staff members. This policy should not be confused with the special considerations for BSC pcards outlined in this section.
University Events: Catering and/or Event Space Rental

Outlined below are the limited instances in which a BSC pcard may be used for payments up to $10,000 for catering, event space rental, and events that include both food and space. All conditions outlined must be met for any payment (including a deposit) to be made on an BSC pcard.

Considerations when Making Payments for Catering and/or Event Space Rental:

- Catering occurs when a vendor prepares, sets up, serves, or cleans up food on Cornell controlled property, including both facilities owned by Cornell and facilities that may be rented or leased and only under Cornell’s control for the period of the event, i.e., rented banquet hall. Catering should not be confused with simple delivery where no service is provided on site, i.e., pizza delivery.

- BSC Directors have been delegated the authority to execute (sign) Cornell contracts and Cornell addendums up to $25,000 for catering, event space rental, and events that include both food and space. When the contract total exceeds $25,000, Procurement will execute the contract as part of the purchase order issuance process; therefore, BSC Directors will not sign these contracts.

- When the BSC Director is authorized to execute a Cornell contract, it is recommended that the vendor’s insurance certificates be on file. BSCs should request insurance certificates and, when possible, attach the documents to the pcard doc (PCDO) in KFS. Payment via pcard need not be delayed based upon receipt of the insurance documents since Cornell’s standard Catering Contract and Event Addendum contain language on indemnification.

- It is NOT recommended that 100% of the order total be paid in advance; deposits should be limited to 50% of the total.

- Units and BSC Directors do not have authority to sign vendor contracts (see section 409, Contracts for additional information).

Catering Only

Less than $10,000:

- The unit will request that the vendor complete Cornell’s standard Caterer Contract, after which the unit will complete their portion of the document and send to the BSC. Lastly, the BSC Director or designee executes (signs) the contract.

- After the signed contract is sent back to the vendor, the BSC may proceed with a deposit up to 50% of the total, not to exceed $5,000.

- The final balance may be made via pcard so long as the total amount, including the deposit, has not exceeded $10,000.

$10,000 or greater:

- The unit will request that the vendor complete Cornell’s standard Caterer Contract, after which the unit will complete their portion of the document and send to the BSC. The BSC Director does not sign this document.

- The BSC will attach the contract to a requisition in KFS and note the amount of the deposit (if any) that is being paid via pcard.

- If any payment is due in less than ten days, please note the due date on the Req. Consider following up with Procurement Services via email, as described below in Conditions for Review and Approval of Contracts by Procurement Services.

- After the purchase order is issued, the BSC may proceed with a deposit up to 50% of the total, not to exceed $10,000. If the final payment is greater than $10,000, then pay via the purchase order.
After the deposit (if any) is made, the BSC will go back to the purchase order and note the PCDO number. In addition, the purchase order number will be recorded in the Notes field of the PCDO.

**Caution:** If a caterer provides its own contract, instead of signing Cornell’s standard Caterer Contract, please contact Procurement Services. It is essential that contracts for catering contain language regarding indemnification and it must be determined that the caterer is indeed an independent contractor. Therefore, a procurement agent will need to review the document(s).

**Note:** If the caterer has signed a University Contract or Pricing Agreement, then that caterer has already agreed to Cornell University’s terms and conditions; therefore, the transaction does not require the Standard Catering Contract and only the details for the event are required (e.g., dates, times, menu, room set-up, number of attendees, etc.). To determine if your caterer has signed a University Contract or Pricing Agreement, see the “Caterer and Restaurant List” on Procurement Services website at https://www.dfa.cornell.edu/procurement/buyers/hiring-caterers.

**Event Space Rental and Event Space with Catering (same process)**

In nearly all cases, vendors supplying event space or event space with catering will present the unit with their own contract. If you encounter a vendor that does provide you with a contract specific to your event, please contact Procurement.

**Less than $10,000:**

- The unit will request that the vendor complete Cornell’s Addendum for Facility Contract Agreements, after which the unit will complete its portion of the document and send both the vendor’s contract and Event Addendum to the BSC. Lastly, the BSC Director or designee executes (signs) both the vendor contract and Cornell’s Event Addendum.
- After the contract and Event Addendum are signed and sent to the vendor, the BSC may proceed with a deposit up to 50% of the total, not to exceed $5,000.
- The final balance may be made via pcard so long as the total amount, including the deposit, has not exceeded $10,000. If the final payment is greater than $10,000, then pay via the purchase order.

**$10,000 or greater:**

- The unit will request that the vendor complete Cornell’s Addendum for Facility Contract Agreements, after which the unit will complete its portion of the document and send both the vendor’s contract and the Event Addendum to the BSC. The BSC Director does not sign these documents.
- The BSC will attach the vendor contract and Event Addendum to a requisition in KFS and note the amount of the deposit (if any) that is being paid via pcard.
- If any payment is due in less than ten days, please note the due date on the requisition. Consider following up with Procurement Services via email, as described below in Conditions for Review and Approval of Contracts by Procurement Services.
- After the purchase order is issued, the BSC may proceed with a deposit up to 50% of the total, not to exceed $10,000.
- After the deposit (if any) is made, the BSC will go back to the purchase order and note the PCDO number. In addition, the purchase order number will be recorded in the Notes field of the PCDO.

For your convenience, this information is in a chart on the Procurement website at http://www.dfa.cornell.edu/procurement/buyers/hiring-caterers.

Other Services

BSCs are routinely requested to pay for services (or deposits on a service) via pcard. This occurs even at low dollar levels since regular cardholders have been restricted to a finite list of services that are considered low risk (see details in Section 302, PCard Prohibited Transactions). For these reasons, we are providing below some general information on issues to consider when procuring services.

Most services, regardless of where they are performed, require a contract. Even when the service provider does not require a contract, it is the responsibility of the BSC to evaluate the service being provided to determine if the resources of the university would be best protected by the issuance of a contract. This may be a contract that is specific to the service being provided and/or the standard terms and conditions associated with a purchase order. The BSC should consider the total value of the services, the possible need for a warranty, and risk to property and persons that could create a liability to the university. Safeguarding the assets of the university must be the first consideration when engaging a service provider.

Note: There are some commonly used service providers that have already signed a university wide contract; see the preferred and contract supplier list on the Procurement website at http://www.dfa.cornell.edu/procurement/supplierlistview.

For a service to be eligible for payment up to $10,000 via BSC pcard, all the following conditions for use must be met.

Conditions for Use

A. The entity being paid for the service must be a corporation, partnership, LLC or LLP. If you are paying an individual, i.e., not one of the business entities listed, you must refer to Section 700 of this manual and perform the Independent Contractor analysis in order to ensure that you are NOT paying an individual who should be classified as an employee and paid through the payroll system. **Caution:** You may not pay a current employee via pcard. You may not pay an individual who has been employed by Cornell at any time in the current calendar year via pcard. You may not pay a foreign national for services performed within the United States via pcard.

B. The contract (when needed) must be executed by Procurement prior to any payment (including a deposit) being made. **See Conditions for Review and Approval of Contracts by Procurement Services below.**

C. The service provider must meet Cornell’s insurance requirements. This rule applies regardless of where the services will be performed.

Conditions for Review and Approval of Contracts by Procurement Services

When a contract is necessary, the appropriate Unit representative will review the document and signify review and acceptance of the vendor’s terms by electronically submitting the documents via email, I Want Doc, or Requisition. The BSC representative will review the
agreement and attach all contracts to the requisition. Procurement will perform the final review and sign the agreement on behalf of the University.

**Caution:** Do not sign on the signature line as Procurement is required to sign on behalf of the University. In all cases, units will send a contract to their BSC, who will then forward to Procurement as an attachment to a requisition for review and approval.

**Note:** To expedite the process for an event or other service where a deposit must be made within the next ten (10) days, the BSC will initiate a requisition, attaching the vendor’s signed contract and addendum, and then contact Procurement to alert them to the deadline.

**Gift Cards and Gift Certificates**

Gift cards, also known as gift certificates or egifts, are considered equivalent to cash by the Internal Revenue Service and in most instances must be reported as taxable income to the recipient. Business Service Center pcard holders may pay for a gift card/certificate on behalf of a unit when all the following conditions are met:

- The use of the gift card/certificate must be in compliance with University Policy 3.12, Business Expenses, particularly related to expenses benefiting faculty, staff or students.
- When the recipient is an employee (U.S. citizen, foreign national, and resident and nonresident aliens) or a student employee, the BSC will ensure completion of the Gift Card/Certificate Reporting form PRIOR to the purchase of a gift card/certificate at all dollar levels.
- When the recipient is a non-employee, the BSC will ensure completion of the Gift Card/Certificate Reporting form PRIOR to the purchase of a gift card/certificate when the value exceeds $75.
- The authority to pay for a gift card/certificate on pcard may NOT be delegated by the BSC to any regular cardholder except as outlined below under “Gift Cards and Gift Certificates for Human Subjects Participating in Research”.
- Gift cards/certificates may not be charged to sponsored fund accounts unless the recipient is a human subject or research participant.
- BSC pcard holders procuring gift cards/certificates will familiarize themselves with the following information located at www.dfa.cornell.edu/tax/fordepartments/giftcards:
  - Instructions and requirements for completing the Gift Card/Certificate Reporting form
  - Tax reporting rules, including withholding charged to the unit, that must be communicated to the unit
  - The Cornell Appreciation and Recognition award program (alternative to a gift card/certificate)
- Direct questions on gift cards/certificates to the University Tax Office at tax@cornell.edu.

**Gift Cards and Gift Certificates for Human Subjects Participating in Research**

When gift cards/certificates are being provided to individuals who are participating in a research project and that project requires the identities of the human subjects to remain confidential, the business service center may delegate the authority to pay for gift cards/gift certificates with a pcard to a regular cardholder in the unit. The BSC will create a memorandum of understanding with the unit that includes, at a minimum, the following:

- Name of individual cardholder approved to purchase gift cards/gift certificates.
Section 307

 Begin and end date of the delegation, which should align with the specific research project for which the gift cards/certificates are needed.

 Name of individual in charge of the research who will be requesting the unit cardholder to make gift card/gift certificate purchases.

 The number of gift cards/gift certificates and value of each, if known.

 Requirement that the explanation of business purpose for the purchase include a reference to the MOU and date.

 Requirement that the unit maintains all relevant private payment information for possible tax reporting.

 Requirement that unit has procedures in place to track any unused gift cards/certificates.

 Requirement that the unit and BSC maintain an MOU in compliance with University Policy 4.7, Retention of University Records.

Caution: Procuring gift cards/certificates for human subjects participating in a research project where the subject’s identify must be kept confidential is the ONLY circumstance under which the BSC may delegate the authority to pay for gift cards/certificates to a regular cardholder in the unit.

Note: When the recipient is a human subject or research participant (regardless of employment status), the Gift Card/Certificate Reporting form is not required. However, units should maintain all relevant private payment information for possible tax reporting. Consult Cornell’s Institutional Review Board for Human Participants or Survey Research Institute.

Donations

The voluntary contribution of cash or property to any organization outside of the university, regardless of the sources of funds, is considered a “donation.” When requested by its customer, a BSC may utilize a pcard for a donation when all the following conditions are met:

 The donation must be in compliance with University Policy 3.12, Business Expenses.

 Donations with a value of $500 or more must be approved by The Office of Community Relations; approval must be attached to the PCDO.

 Object code 6390 will be used for contributions from Cornell to an outside entity.

 Object code 6420 will be used for payments in lieu of flowers.

 The authority to make a donation utilizing a pcard may NOT be delegated by the BSC to any regular cardholder.

Please note that sponsorships, advertising, or other engagements with reciprocal value are not considered “donations” and are not subject to prior approval, even if using Object Code 6390 Donation from Cornell. For example, a department sponsorship of a conference with or without recognition of such sponsorship is not considered a donation that requires approval from Community Relations.
